

Request for staking/unstaking of crypto assets

Note: although for purposes of readability the masculine gender form is used to reference persons in the relevant sections, this is, of course, always deemed to include members of both genders. The same applies to the plural form.

 Client name

 Main number

 Relationship manager

 Contact number

Ethereum

Staking Unstaking

 Quantity (32 Tokens or a multiple of 32 Token)

 Quantity (variable min. quantity)

Note:

By placing this order, the client expressly confirms that he has read, understood and accepted the "Terms and Conditions for the Staking of Tokens", available on the Bank's website (www.bankfrick.li/en/legal-information). In addition to the "Terms and Conditions for the Staking of Tokens", the "General Terms and Conditions" apply.

Amendments or repetitions of orders must be expressly labelled as such by the client.

The client bears the risk of an unclear, incomplete or incorrectly formulated order.

Please send the completed form to staking@bankfrick.li.
